- 8 Protection bar inside drivers door is **COMPULSORY** (bar or plate of steel, minimum 3/8 inch thick)
- 9 All chrome strips, tow bars, tongues, glass, interiors & other flammable materials **must be removed**
- 10 All doors are to be chained or welded shut, although it is compulsory to at least chain both front doors. Boots & bonnets are not to be welded shut: chain is the desired method so scrutineers can inspect inside them. All chains & welds are at the safety discretion of the scrutineers. All cars to be at the track by 4pm
- 11 Overalls or driving suits, leather boots & a helmet must be worn – please ensure pit insurance is paid prior to the event.
- 12 Lap sash seat belt **must** be fitted for the driver **OR** a racing harness is allowed at the safety discretion of the scrutineers
- 13 White flag must be attached to drivers side pillar, and be broken off when disqualified or can't continue. **No foxing is accepted**
- 14 No alcohol is to be consumed by any person competing in the derby - 12 (twelve) hours prior to the event. Track marshals reserve the right to disqualify any competitor seen drinking alcohol or be seen with it in their possession
- 15 No welding or modifying of the suspension. (No air shocks are permitted at all.)
- 16 If vehicle remains motionless for longer than 2 (two) minutes, you will automatically be black flagged
- 17 Battery may be moved to inside the cabin, but it must be **bolted or welded down AND covered with rubber**
- 18 No full chassis cars are permitted
- 19 Officials will disqualify any driver that appears to be foxing
- 20 If using ute, wagon or panel van, the tailgate must be removed.
- 21 No pillar-less cars are permitted at all ie. Toyota Celica

I, the undersigned, agree to abide by all the above rules. I understand that the allowing of the car to enter is at the discretion of the scrutineers.
